

# Fibersole Global Expertise

**“Innovating Telecom, Security & IT Infrastructure Since 2005”**

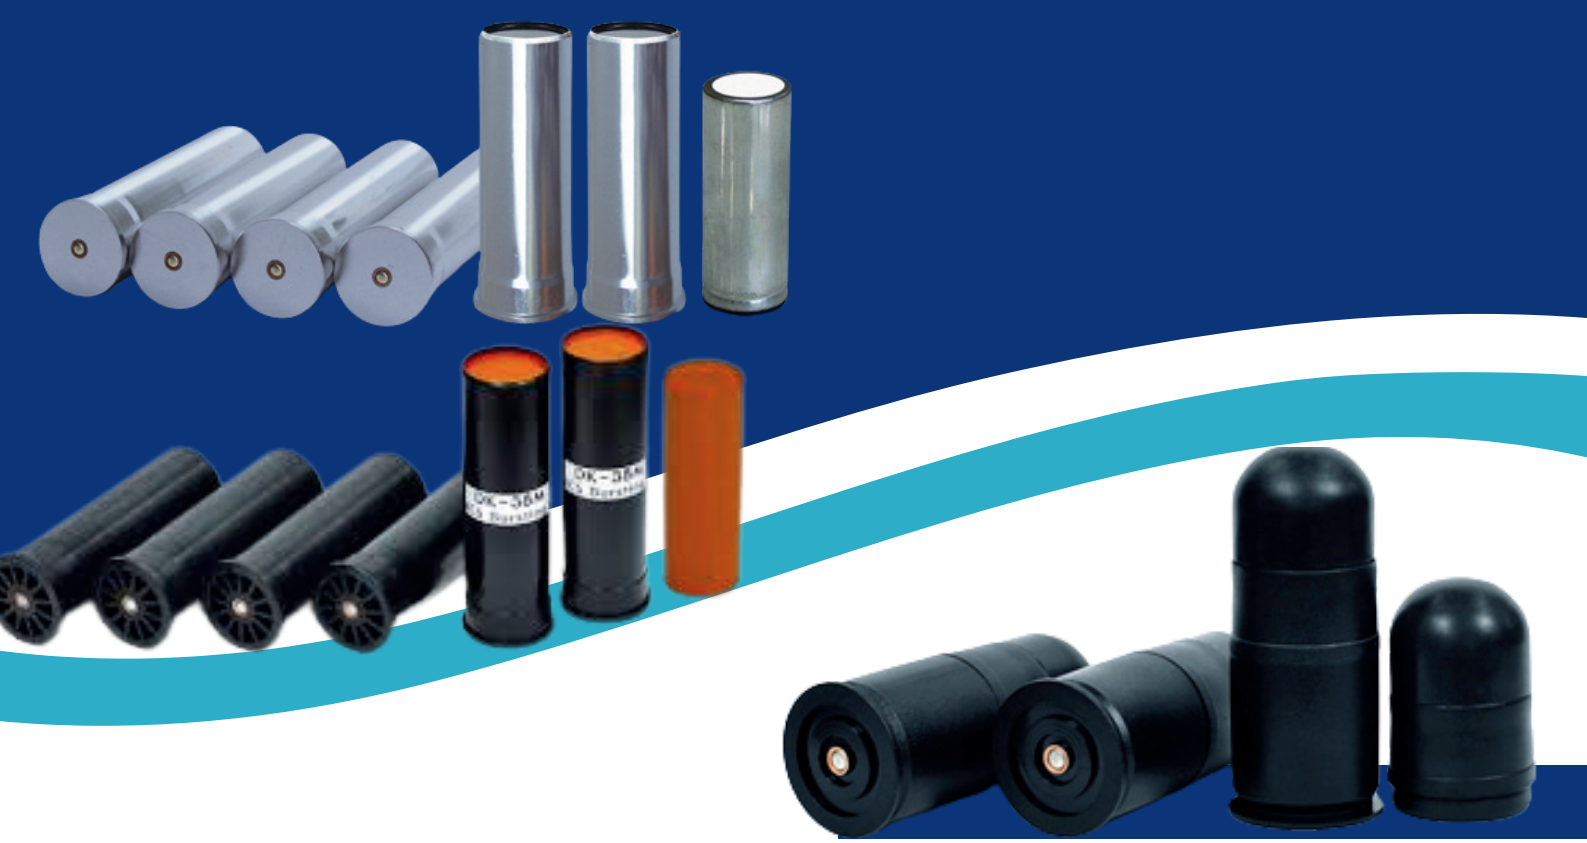

Fibersole was founded in 2005 with the vision to deliver innovative, high-quality, and cost-effective solutions to the rapidly growing telecommunication and networking industries. Since our inception, we have placed strong emphasis on understanding and fulfilling customer needs by deploying the best available technologies and practices.

## **Dae Kwang (Korea) – Anti-Riot Police Equipment**

Fibersole has partnered with Dae Kwang (Korea), a globally trusted manufacturer of anti-riot police equipment and protective gear, to deliver world-class safety solutions to law enforcement and security agencies in Pakistan.

Through this collaboration, Fibersole ensures the availability of high-quality, durable, and certified equipment designed to safeguard personnel and maintain public order in critical situations

- Protective Gear (Helmets, Vests, Shields)
- Non-Lethal Tools (Batons, Tear Gas, Smoke Devices)
- Crowd Management (Barriers, Water Cannons, Loudhailers)

### Why choose fibersole for Dae Kwang

- Proven track record as a reliable supplier to global police & security agencies
- International safety standards compliance (NIJ, ISO, CE certified products)
- Durability & Ergonomics – designed for frontline usage under harsh conditions
- Local availability & support through Fibersole’s logistics and after-sales services

## “Trusted Protection for Law Enforcement”
